Eager anticipation.

You've been waiting for us to present our new line of video games for the Atari 2600 VCS™ and Sears Video Arcade™. You've been patient while our game designers worked and reworked the games to bring you the best in innovative game design and graphics. Now you'll see we've done our job right, unlike some others who jumped on the video game bandwagon and took you, the buyer, for a ride. Avalon Hill has a long-standing reputation for quality, which we intend to keep. We think you'll agree that these video games are worth the wait . . . and worth getting really excited about.
